**“REDHAT CERTIFICATION & REDHAT ACADEMY”**

Open-source software (OSS) is computer software with its source code made available with a license in which the copyright holder provides the rights to study, change, and distribute the software to anyone and for any purpose. Red hat Certifications are one of the most widely respected and valuable certifications that an IT infrastructure professional can obtain by using open source technology. As a part of this CE/IT department arranged an awareness seminar presented on 05<sup>th</sup> Oct., 2017 by Ms. Rani Patil, is the Manager, Global Learning Services ,Red Hat India and more than 200 students of degree CE/IT are participated in this seminar. She gives the valuable guidance to the students about Red hat and makes student aware about what would be the role of Red hat certification and Red hat Academy.
