

Engineer's Day Celebration

Date: 15th September, 2018

Time: 03:00 pm to 05:00 pm

Venue: Auditorium

Engineering is not merely knowing and being knowledgeable; engineering is not merely analysis; engineering is not merely the possession of the capacity to get elegant solutions to nonexistent engineering problems; engineering is practicing the art of the organized forcing of technological change.

Engineers operate at the interface between science and society. To identify the great works done by our hard working engineers each year 15th September is celebrated as Engineers' Day marking the birth day of Sir Mokshagundam Visvesvaraya, recognizing his contributions in the field of hydel energy in India. On this occasion, Noble Engineering College organized various events to bring out the hard efforts of engineers and to bring their ideas from mind to market.

The program for engineers' Day of Bachelors of Engineering and Diploma was organized on 15th September at 03:00 PM in auditorium of the Noble Group of Institutions, Junagadh. As per our tradition, lamp lighting ceremony was done by all respected dignitaries. It was followed by a welcome speech of Dr. Vipul Vekariya, the Principal of Noble Group of Institutions. Dr. Vipul Vekariya started his speech by guiding students for his bright future.

After Inauguration Ceremony Top 03 design engineering innovative projects from all engineering branch were felicitated by medals and certificates.

Students of Different Engineering branch were performed speech, Poet, Solo Dance and Group dance as show case there talent in this field.
