

A Report on NAVRATRI CELEBRATION

In **India**, Navratri is Hindus famous festival celebrated with great joy and reverence. This festival is a joyous way of worshipping Goddess Durga. “Navratri” is a Sanskrit word where ‘Nav’ means nine and ‘Ratri’ means nights. This festival is celebrated for 9 nights and 10 days. The last day of this festival is celebrated as ‘Vijaya Dashmi’ or ‘Dussehra’, the day when lord ‘Rama’ won over ‘Ravana’ according to Ramayana.

The actual purpose of celebrating Navratri is to precede the belief of the good ending or overcoming the bad or good over evil. As a part of this, NGI Family celebrates navratri function on 13th October 2018 at Noble Group of Institutions Campus, Junagadh. 1000+ students and 100 faculties of NGI from different courses were joined that function. All of them were really enjoyed a lot. Also we declared winners for well play & well dress in students. Finally this was over with an aarti of goddess Durga.
